

## FAQ : How to view our training with Flash on Chrome?

- 1) When the training window appears, click on the icon 1 (puzzle icon) then on icon 2 (Manage/Settings ?) as shown on the image below.

- 2) On the next window, activate the switch (3)

Vos paramètres Flash seront conservés jusqu'à ce que vous quittiez Chrome.

Demander d'abord

- 3) Afterwards click on the lock icon of the new pop-up window (4), use the scroll (5) and select **allow** (6). You can then close the window.

- 4) Refresh the web page by clicking on the **reload** button (7)
